## PRESS RELEASE

AL FARIS GROUP  
Head Office: Dubai, UAE

FOR IMMEDIATE RELEASE

### **Al Faris Group takes delivery of the first new generation Mercedes- Benz Arocs SLT in the MENA region!**

- **2 new units of Mercedes-Benz Arocs 4058 AS 6x6 SLT handed over to Al Faris Group**
- **The Mercedes-Benz Arocs SLT is an extremely robust heavy duty tractor unit with a permissible gross combination mass of up to 250 tonnes**

Al Faris - Market Leader with the largest fleet of cranes and other heavy equipment in the Middle East region, add the 1st new generation Arocs SLT in the Middle East region and the 555th in the world to our growing heavy equipment fleet!

At Al Faris we continuously invest in the latest technologically advanced equipment and ensure the best solutions to our customers.

“We have performed numerous heavy transport operations for abnormally sized objects for more than 25 years and it has always been our priority to provide safe, innovative, and reliable solutions for Heavy Lifting, Heavy Transport and Energy Projects. When it comes to heavy transportation, we are confident that the Arocs SLT meets the demands and our high standards. The addition of these 2 new trucks will add value to the company” – Kieve Pinto, Executive Director – Al Faris Group

*From left to right, Mr. Olaf Petersen (General Manager -Trucks Sales, Daimler Commercial Vehicles MENA), Mr. Bilal AlRibi (General Manager - Commercial Vehicles, Emirates Motor Company), Mr. Kieve Pinto (Executive Director, Al Faris Group), Mr. Keonne Pinto (Finance Director, Al Faris Group)*
